

SIX MONTHS' TIME MONEY IS OFFERED TO BROKERS

Call Loans Freely Offered at 3 1/2 Per Cent and Some Business Transacted at 3 1/4.

BOND DEALINGS ON \$1,500,000

Greatest Activity Occurs in First Hour—Attendance in Financial District Unusually Large—Keen Interest Over Dealings.

BY BROADWAY WALL

NEW YORK, December 4.—Six months' time money, which will carry the borrower into June 1915, was offered to stockbrokers to-day at 3 per cent.

Call loans were freely offered at 3 1/2 per cent, and some business was transacted at 3 1/4 per cent. Money was easy in London at 5/8 to 1 per cent for call funds, but little business was done.

Institutions seeking to employ idle funds were again large buyers of short-term notes, and bid up prices to some new high figures.

Bond dealings on the floor were again about \$1,500,000, the greatest activity occurring in the first hour, the market becoming more and more active in the afternoon.

Virginia bonds were a feature, advanced to 5 1/2 per cent.
